

International Women's Day

SPORT

DAME JESS ENNIS-HILL

**3 WORLD CHAMPIONSHIP MEDALS
2 OLYMPIC MEDALS**

Jess's phenomenal athletics career has seen her achieve things that most athletes, male or female, could only dream of. Demonstrating outstanding qualities of strength and determination throughout her career, Jess has come back from injuries and time out to begin a family and shown the world what it takes to be a winner. Her success coincided with an important time for women's sport. She has crossed boundaries away from the track, with historic sponsorship deals which have helped to demonstrate to international brands the true value of investing in sportswomen and women's sport.
